Wouldn't it be a Good
Thing for Your Business - -

Wouldn't it help your sales volume if you could have a talk with your "Trade" say, once each month? Of course it would. The only reason you can't follow such a plan is the time of personally looking after all the details.

But, you CAN deliver a personal or picturized message to a 100 or a 1,000 customers and prospects, through the medium of the mail. The RIGHT message will bring inquiries - help salesmen and create sales. It's surprising how small the cost is for keeping in regular monthly contact with people whose business you want.

We have acquired a lot of valuable information not only from our own experience but also from that of a select group of other Direct Mail Agencies all over the country.

Please feel free to draw on this reservoir of good sales ideas. Just Dial 7-3122 and ask us to show you some interesting data on profit making Direct Mail Sales that can fit into your business.

Cordially yours,
